

Directions for Participating Teachers

Impact of Inquiry on Teaching and Learning

Review

- With your support provider, review each Inquiry
- Discuss your self-assessments on the Continuum of Teaching Practice
- Reflect on areas of growth and areas for future inquiry

Celebrate

- Share your item and your written reflection at your Colloquium
- Celebrate the completion of your Induction experience with your support provider and colleagues

Summarize

- Summarize and record evidence of your growth as a teacher
- Reflect on your students' growth and their academic achievement
- Bring a written reflection of your induction experience to the Colloquium

Prepare

- With your support provider, prepare for your Colloquium by discussing outcomes and responsibilities
- Select something to share at your Colloquium that illustrates a change in your teaching and student learning
- Verify that all Induction completion requirements have been met
